

## Email Marketing for Growth: Nurture & Convert Your Leads

Email is still one of **the most powerful marketing** tools at your disposal. Learn how to build an engaged list, create compelling emails, and turn subscribers into loyal customers.

**Jas and Jude** will walk you through email marketing strategies that work—whether you're just getting started or looking to level up your existing campaigns.

### What to Expect:

- **Building an Email List:** How to grow your subscribers fast (without buying lists!).
- **Nurture Sequences that Convert:** Get your audience excited and ready to buy.
- **Email Copy that Sells:** Writing tips to keep people clicking and converting.
- **Automation:** How to use automated sequences to save time and increase revenue.

**Leave with a step-by-step plan to grow your email list and boost your sales.**
