

Marketing Madness: Unbox the Secrets to Attract and Convert

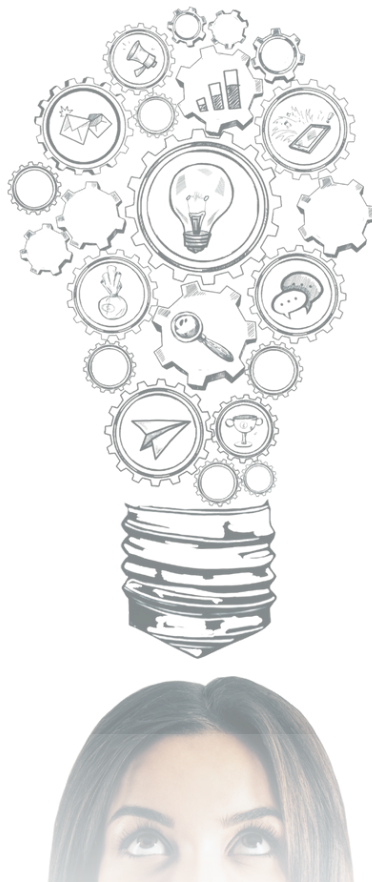

Marketing isn't just about flashy ads and catchy slogans—it's about strategy, connection, and understanding your customer. **Jas** and **Jude** will teach you how to build a marketing plan that actually works, even if you're starting with a shoestring budget.

This workshop will walk you through marketing fundamentals while sharing real-world examples that demonstrate what works and what flops. You'll leave with a blueprint tailored to your business goals and target audience.

What to Expect:

- **Marketing Basics 101:** Break down the jargon—what is really essential for your business?
- **The Customer Journey:** Learn how to attract, nurture, and convert customers like a pro.
- **Marketing on a Budget:** Stretch your marketing spend without sacrificing results.
- **Content that Converts:** Craft messages that resonate with your audience and lead to sales.

Leave with a solid marketing strategy and tools to implement straight away.

Why Should you Attend Marketing Madness: Unbox the Secrets to Attract and Convert Interactive Workshop
