Networking that Works: Turn Conversations into Connections

You've heard it before—"Your network is your net worth." But let's face it, networking can feel awkward, forced, and often ineffective. That's where **Jas** and **Jude** come in to show you the real way to build meaningful connections that matter.

In this interactive workshop, we'll take the cringe out of networking and teach you how to turn casual chats into real business opportunities. Whether you're introverted or extroverted, a start-up or scaling, this is your ultimate guide to networking that doesn't suck.

What to Expect:

- **The Networking Mindset:** It's not about what you know but who you know—and how to genuinely connect.
- **Building Relationships, Not Just Contacts:** How to nurture connections into partnerships.
- **Real-Life Scenarios:** Learn from Jas and Jude's personal stories of networking that led to life-changing opportunities.
- **Practical Tips & Tricks:** How to navigate networking events, use LinkedIn effectively, and follow up without being "*that person*."

Leave the workshop with a step-by-step action plan on how to get the most out of every event or conversation and grow your network like a pro.
